WAMITAB / CIWM Continuing Competence One Day Refresher Course

**Albion
Environmental**

A leading UK consultancy specialising in waste management training.

"....this course was really interesting as it made me more aware of information that I wasn't 100% sure of.....the manner in which both of you put across the information was excellent and very clear." W Spence, Shanks

"excellent and very helpful especially European Waste Codes as well as a good eye opener on ADR, etc." Andrew Tuckwood from Highland Council

"this course prepared me very well for completing my official CIWM / WAMITAB Continuing Competence test..." Mike Prue from EH Metals Ltd

Background

This one-day refresher course is designed to provide candidates with updated understanding of the legislation relating to the Waste industry. The course design has been based on the Generic Syllabus provided by WAMITAB.

The Course has been designed by experienced assessors who have experience completing and coaching candidates to successfully complete their WAMITAB / CITB Continuing Competence test.
